Correction to: Preferred prenatal counselling at the limits of viability: a survey among Dutch perinatal professionals

Ms Rosa Geurtzen^{1*}, Arno Van Heijst¹, Rosella Hermens², Hubertina Scheepers³, Mallory Woiski⁴, Jos Draaisma¹ and Marije Hogeveen¹

Correction

Following publication of the original article [1], the corresponding authors wrote to say that there was a mistake in the transfer of her article to PubMed: her name is R Geurtzen, but the pdf-file names her as ms R Geurtzen and pubmed names her as MR Geurtzen.

The original article has been updated.
